

INTRODUCTION

W.T.I is dedicated to providing a facility that is safe and healthy for all students, employees and visitors. We are pleased to say that Wichita Technical Institute has an exemplary safety record. As with all institutions we are required to provide certain information essential to the safety and welfare of our students and employees. Therefore, the purpose of the following links on this webpage are to serve as a reference for prospective students, current students, employees, and parents.

WTI is student centered and as you begin your college experience we want to assist with your questions, so please feel free to visit with us so we can better serve you.

Sincerely

Barry Mannion
